CITY COUNCIL AGENDA REPORT

SUBJECT: Award Bid Proposal for Chlorination Facilities Project

AGENDA DATE: August 4, 2009

PREPARED BY: Luis Estrada, Director of Utility Services

APPROVED FOR AGENDA BY: Victor Carrillo, City Manager

RECOMMENDATION: It is recommended the City Council award the bid proposal from Cora Constructors, Inc. in the amount of \$1,546,475 (base bid) for the Chlorination Facilities Project plus 15% contingency (\$231,971) for inspections, engineering, soils testing and administration fees.

FISCAL IMPACT: \$1,778,446 (\$1,546,475 + \$231,971) Budget Item FY 2009-2010

BACKGROUND INFORMATION: (Prior action/information):

On June 23, 2009, the Utility Services department went out for bids for the Chlorination Facilities project. The project is located at 545 Pierce Avenue in the City of Calexico, Imperial County, California and near the intersection of Cole Road and Highway 98. The project requires construction of new facilities at the City's water treatment plant and at the City's Eastside Reservoir and related grading, excavation, and miscellaneous equipment and structures as shown or specified and as necessary to provide complete and operable facilities. The work includes the furnishing of the labor, materials and equipment for the construction and testing of the facilities as shown and specified in the contract documents.

On July 23, 2009, the City Clerk's Office received four (4) bids.

<u>Contractors</u>	<u>Total base bid</u>
Cora Constructors, Inc.	\$1,546,475
Spiess Construction	\$1,632,500
Newest Construction	\$1,699,800
Falcon General Engineering	\$2,033,897

(See attached bid tabulation summary sheet)

DISCUSSION (Current consideration): After carefully reviewing all bid documentation from Cora Constructors, Inc., we found that they meet all required guidelines and specifications.
